Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed (without a Statement Under 37 C.F.R. § 1.97(e)) after the later of three months from the application's filing date and the mailing date of the first Office Action on the merits, but before a Final Office Action, Notice of

Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), and therefore a fee of \$180.00 under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations.

All foreign patent documents are cited and discussed at pages 1-4 of the present application, except for EP 0 473 793, JP 2002-020458 and JP 5-039428.

English-language abstracts are being submitted for all Japanese language documents. In addition, computer-generated translations are being submitted for JP 2002-020458 and JP 5-039428.

Corresponding English-language applications are being cited for the following:

Foreign-Language Document	Corresponding English-Language Document
JP 3-072527	US 5,223,583
JP 55-09669	US 4,507,469
JP 3-062626 B2	EP 0 473 793
JP 11-116686	US 6,486,289
JP 2000-345054	US 6,410,640

The above-noted U.S. 4,507,469 is already of record in the present application, and therefore is not being listed on the enclosed Modified PTO/SB/08 A&B Form.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
